

DIRECTIONS TO THE HILLCROFT FROM TORQUAY STATION

The Hillcroft is a short taxi ride from the station. Typical cost of a taxi is between £4-£5.

If you plan to walk from the station, it is about a 10 minute walk for a reasonably fit person, but bear in mind that the last stretch is up a fairly steep hill. For this reason, walking is not recommended if you have carry bags.

As you leave the station, exit to the right towards the seafront. Walk along the coast road towards Torquay town with the sea on your right and Abbey Gardens on your left, crossing the road at each set of lights. At the third set of lights you will pass the Belgrave hotel on your left. Continue past the Belgrave Hotel and on to climb up the hill (Shedden Hill Road). You will pass Applebys on the left. At the top of the hill you will cross Croft Road on the left and pass Warren Rd and St. Lukes Church on your right. Take the next right into St Lukes Road. The Hillcroft is located in St. Lukes Road on the left, just before the sharp right bend in the road.
